

Citizens Own Renewable Energy Network Australia Inc.
Solar by the people

To:

*I've helped fund a solar
project on your behalf!*

Visit corenafund.org.au to check the status of your donation
and to learn about how it keeps on funding practical,
local, renewable energy projects into the future

From:

*I'm dreaming of a solar Christmas...
not like the coal we've always known
We just can't keep waiting,
and deliberating, let's fund
solutions of our own.*

[chorus]

*I'm dreaming of a safe climate
and of a future clean and bright
May your footprint be zero, or light
and may all white xmas stay white.*
