

Expression of Interest form

Please submit this form if your organisation would like to apply for a CORENA interest-free loan.

BEFORE FILLING IN THIS FORM - look through all the questions and collect the information you will need to complete this form. For example, you may need to refer to tariff and usage information in your electricity and gas bills from the last year or check your vehicle usage records. Please answer all questions as fully as you can. If you are unsure about anything at this stage of the project, for example if additional electrical work will be required, please state this in your answer. If you wish to discuss eligibility before completing this EOI form or have any questions you can email us at admin@corenafund.org.au.

* Indicates required question

Overview of energy and/or vehicle use

Please answer all questions in this section to give us an overview of your operations. Subsequent sections can be answered or skipped in accordance with your preferred type of project.

NOTE: These overview questions are important, but we've not set them as being mandatory so that you can move freely between different sections and see all the information we require before you begin. All questions set as mandatory, like the name and contact details for your organisation, are in the last section of this form.

1. Please tell us about your electricity use. Is it grid electricity, or do you already have a solar installation or buy some sort of 'green' electricity?

2. Please tell us about your gas use (if any). Is it mains gas or bottled gas? And what do you use it for (eg. space heating, hot water, cooking, pool heating)?

3. Please tell us about your vehicle use (if any). Does your organisation own or lease vehicles? How many? What are they used for?

4. Are you interested in a loan for a solar PV and/or energy efficiency project?

Mark only one oval.

- Yes *Skip to question 5*
- No - skip to questions for gas replacement projects *Skip to question 21*
- No - skip to questions for electric vehicle projects *Skip to question 25*

Solar and energy efficiency

Please answer the questions in this section as best you can if you are seeking a loan for a solar installation and/or energy efficiency measures.

5. Who owns your premises?

6. Lease duration (if premises are leased)

7. Do you have permission from the owner?

Indicate permission for desired solar installation and/or energy efficiency work (if premises are leased)

8. Site checked by installer?

Have you had a site visit to check suitability of your premises for a solar installation or energy efficiency upgrade?

9. Roof condition

Are any roof repairs needed before installing solar?

10. Condition of existing wiring

Is any new electrical work, other than standard electrical work for a solar installation, required before installing solar?

11. Multiple buildings or meters?

If you have multiple buildings or meter boxes, please indicate which buildings or areas are serviced by each meter box.

12. Have your premises had an energy efficiency evaluation?

If so, please enter details and email us a copy of the energy efficiency report.

13. Identified energy efficiency opportunities

List any energy efficiency measures you would like to implement.

14. What electrical appliances and lights are used during daylight hours?

List everything that uses electricity during the hours solar panels are generating electricity, and note any particularly high usage of appliances.

15. Operating hours of your premises

16. Electricity provider and applicable rates

Name of provider, peak and off peak rates, summer and winter rates, and feed-in-tariff

17. Electricity usage over last year

Enter details from your electricity bills over the last year, showing quarterly/monthly usage at each rate (peak, off-peak, summer/winter, etc) and the quarterly/monthly and annual totals for each. OR, please scan and send us copies of your bills over the last year. Send scans to admin@corenafund.org.au

18. Differences between summer and winter electricity use

19. If you already have quotes for a solar installation and/or energy efficiency measures, please tell us about them below and send us copies of the quote/s

20. Are you interested in a loan for replacing gas use with efficient electric appliances?

Mark only one oval.

- Yes *Skip to question 21*
- No - skip to questions for electric vehicle projects *Skip to question 25*
- No - I've finished. Go to 'About your organisation' *Skip to question 34*

Replacing gas use

Please answer the questions in this section as best you can if you are seeking a loan to replace gas use with efficient electrical appliances.

21. What gas appliance would you like to replace (eg. gas hot water, gas heating, gas pool heating, gas stovetops) and with what type of electric alternative? (eg heat pump hot water?, reverse cycle air conditioner, induction stovetop?) If you have a quote for this replacement please email it to admin@corenafund.org.au.

22. Gas provider, usage rates (\$/MJ), and supply charge

23. Gas usage over last year

Enter details from your gas bills over the last year, showing quarterly/monthly usage at each rate and the quarterly/monthly and annual totals for each. OR, please scan and send us copies of your bills over the last year. Send scans to admin@corenafund.org.au

24. Are you interested in a loan to assist with the costs of an electric vehicle?

Mark only one oval.

- Yes *Skip to question 25*
- No - go back to Solar PV section *Skip to question 5*
- No - I've finished. Go to 'About your organisation' *Skip to question 34*

Electric vehicles

Please answer the questions in this section if you are seeking a loan to assist with the costs of an electric vehicle.

25. Do you own or lease your vehicles?

26. Please enter the types of vehicles you currently use, what you use them for, the times of day they are typically in use, and the distances they normally travel in a day.

27. For each type of vehicle/use, please indicate how many kilometres it travels per year and the annual fuel cost. Alternatively you can email a spreadsheet with this information to admin@corenafund.org.au

28. What type of EV do you want to buy? If known, please state the name and model and the purchase cost.

29. How do you plan to charge the EV battery? For example, will the vehicles be charged during the day at your premises or by staff overnight at home?

30. If you expect to charge the EV at your own premises at least some of the time, please tell us your electricity retailer, how much you pay for electricity at peak, shoulder, and off-peak times (in c/kWh), and the time bands for each different rate. Alternatively you can email your most recent power bill to admin@corenafund.org.au.

31. Do you have solar installed at your premises? If so, what size system in kW?

32. Is there anything else you want to tell us about your EV plans?

33. Have you finished entering all answers relevant to you?

Mark only one oval.

- Yes - take me to 'About your organisation' *Skip to question 34*
- No - go back to Solar PV section *Skip to question 5*
- No - go back to the gas replacement section *Skip to question 21*

About your organisation

34. Organisation name *

35. Organisation ABN *

36. Address of premises *

37. Service or amenity *

Tell us about the benefits your organisation provides to the community

38. Website address *

39. Facebook or blog address

40. Organisation type *

eg. incorporated non-profit organisation, for-profit entity, non-profit company, etc

41. Who will sign the loan agreement? *

Names and position of the 2 people who have authority to sign contracts

42. Person filling in this EOI form *

Enter name, phone, and role within organisation

43. Email address of person filling in this EOI form *

44. How did you hear about CORENA?

45. Local liaison contact details

Is a member of CORENA or of a local environment group helping to organise this project? If so, please enter their name and email address.

46. Are you seeking full or part funding? *

If your organisation will be partly funding the project, indicate how much of the overall cost you will cover.

47. Are you registered for GST? *

If you are registered for GST and can temporarily cover the GST component until it is refunded to you, we will be able to raise the funding for your loan sooner than otherwise

Mark only one oval.

- No
- Yes, and we will cover the GST component of the project cost
- Yes, but we would like the CORENA loan to cover the GST component
- Other: _____

48. Additional info about applicant

Anything else you want to tell us about your organisation or yourself

49. What do you hope to achieve via a CORENA climate project loan? *

Tell us what you want (eg. solar and/or other specific GHG reduction measures). If you already have a detailed plan, please include project details and costs (or email quotes to admin@corenafund.org.au), and tell us how much you want us to lend you.

50. DOUBLE CHECKING! Have you answered the Overview questions at the start of this form? If not, please scroll back to the top of this form and do so, then come back to this question and click 'Yes' to take you to the Submit button. *

Mark only one oval.

Yes
